

ENTRY GUIDELINES & CRITERIA

DOES YOUR NEW BOAT OR PRODUCT QUALIFY?

Newport For New Products (NFNP) program criteria:

- Your 2018 Newport International Boat Show Exhibitor Contract must be submitted.
- The Boat(s) or Product(s) you plan to submit will be launched in the U.S. recreational boating market between April 1 and September 1, 2018 and will be officially introduced in the U.S. market at the 48th annual Newport International Boat Show.
- Domestic Boats or Products may have appeared in the press or been shown as a prototype prior to the Newport Show as a build-up to the official introduction at the Newport Show, but cannot have been shown at other U.S. boat shows prior to Newport (the Newport International Boat Show must be the boat or product's first physical introduction to the U.S. market).
- Foreign Boats or Products making their U.S. debut may have appeared in the press or been shown outside the U.S. prior to the 2018 Newport International Boat Show, but cannot have been shown at other U.S. boat shows prior to Newport (Newport must be its introduction to the U.S. market).
- **BOATS** submitted to the NFNP program must either be completely new designs or have more than a 50% structural change to an existing design, resulting in a new model.
- Canoes, kayaks and personal watercraft are not eligible for the NFNP program.
- **PRODUCTS** submitted to the NFNP program are either for **Navigation** (includes electronics), or for **Boat Operation, Maintenance or Boating Safety**. The product(s) submitted to this program is either a completely new design or has significant new functionality and/or structural improvements compared to the previous model.
- Boats and Products must be on display in the finished, sellable state at the Newport International Boat Show. No prototypes or "concept" Boats or Products will be considered.

If you are still unsure if your boat or product qualifies, please call Newport Exhibition Group at 401-846-1115 or fill out and send in your NFNP application for review and we will determine if you item qualifies. There is NO FEE to enter, however your Exhibitor Contract must be received before your Boat or Product can be reviewed/accepted into the NFNP program.

HOW TO APPLY

Application process and deadlines:

If you feel your new Boat or Product qualifies, please complete the NFNP online application by visiting newportboatshow.com

1. Select Exhibitors Menu and choose Exhibitor Forms from the drop down menu.
2. Click on the NFNP online application option and complete as instructed. You will also need to attach a high resolution photograph or prototype drawing with your application.
3. Once completed, an automatic confirmation letter will be sent to the email submitted and the Newport Exhibition Group will be notified as well.

Application deadline is June 15, 2018. If the NFNP application and photo are received by June 15, 2018 and the Boat or Product is accepted into the program, the photo and brief description will appear in a special insert in the September issues of *Cruising World*, *Sailing World* and *Yachting* magazines which will go on sale in mid-August. The value of this benefit exceeds \$85,000.00 and targets over 1 million affluent consumers - all at no cost to you.

Note: Once accepted into the program, free marketing materials (web banners, graphics, etc.) to promote your Boat or Product are available on the Newport International Boat Show website under the Exhibitors menu. You can use these materials in your own promotional materials and on your website.

Judging Process:

Prior to the Show, a panel of industry experts will review each NFNP application and conduct additional research if necessary to verify the eligibility of all submissions. Starting Wednesday afternoon, September 12, (the day before the show opens) and all through opening day on Thursday, all eligible entries will be visited and inspected by the NFNP judges. At the end of the day, the judges will meet to deliberate and determine the winners. Awards are judged on value to the consumer, design and innovation. The winners will be announced and recognized at an awards ceremony that will take place Friday morning, September 14, 2018. A photo session will follow the ceremony and a release announcing the winners will be issued to the press.

A text reminder will be sent to all participants the night before the awards ceremony.
