Region's Largest Boat Show Offers Something for Everyone

**Newport, R.I.** – Newport Exhibition Group, owners and producers of the Newport International Boat Show, announced today the activities and amenities for those planning to attend its 47<sup>th</sup> annual show. The largest boat show in New England and the 'kick-off' to the fall boat show season, the Newport International Boat Show provides visitors from around the world a venue to see the latest boats and product offerings from hundreds of manufacturers and dealers, including dozens debuting for the first time in the United States. Set along historic Newport Harbor in the heart of downtown Newport, the show also offers a wealth of education and fun activities for boating enthusiasts of all ages and experience.

This year's education opportunities include Confident Captain's *At The Helm* program which provides hands-on training courses for new boaters or those wanting to improve their skills and confidence level. Courses are available on a powerboat or sailboat. In addition, ticket holders will also have the opportunity to tour the 200-foot educational Tall Ship SSV *Oliver Hazard Perry* at no additional charge. The ship will be docked at Perry Mill Wharf for tours and staff will be on-hand to answer questions.

The 2017 official charitable partner of the Show is Sail To Prevail. The organization creates opportunities for disabled children and adults to overcome adversity through therapeutic sailing. For over 30 years, Sail To Prevail has served more than 19,000 disabled individuals across the country with primary locations in Nantucket and Cambridge, Massachusetts, and Newport, Rhode Island. Attendees can stop by their booth located in Tent A, Booth 42 to meet the staff and learn more about their important mission.

Join Tesla at the Newport International Boat Show to experience the award-winning Model X and Model S. Showgoers will have the opportunity to schedule an appointment for a test drive and to learn about the vehicles' most advanced active safety and convenience features, how to charge a Tesla at home or on the road, and discover how an electric vehicle can fit seamlessly into any lifestyle.

Visitors on Thursday will have the opportunity to cast their vote online for the best new sailboat or powerboat making its U.S. debut in the Newport For New Products People's Choice Award. One voter will be selected at random to win a \$250 American Express Gift
